Dear Parents/Guardians,

I cannot believe that we are nearing the end of the first month of kindergarten and fall is right around the corner! With the new season comes a change in our dress code. Starting October 1st the students are no longer allowed to wear shorts and capris. If your child has on a skirt or dress, please make sure she has shorts underneath. Students sit "criss cross applesauce"

many times throughout the day so underwear is exposed without shorts. We will be taking the students outside for recess as much as the weather allows. The temperatures will begin to get cooler so you may want to send your child in with a light jacket in the morning.

We are still in need of lunch/recess volunteers! Having an extra set of hands is always helpful for the staff members on duty! Even if you are only able to help a few times a month, we greatly appreciate it! Please let me know if you are interested and available to help. Thank you in advance!

Next **Thursday, September 26th** is our parent mass. This is a very special day for kindergarteners as they are able to have a parent or special adult friend join us for mass, classroom activities, and lunch! We begin our day with mass at 9:15 and then move to the classrooms for activities before eating lunch! We are looking forward to having you be a part of this special day!

On my website is a link for the Google calendar that lists homework pages as well as any events coming up. To access this online, simply click on the calendar tab and the Google calendar will be displayed on that page. I also have the calendar linked to the Bloomz app, however it does not allow you to see past days for homework-- you will have to get on my website to view the previous days. My website is www.marinaabel.weebly.com and is also listed at the bottom of the newsletter.

Looking ahead to October is a very special event that is planned. **October 4th** is the feast of St. Francis who was an avid animal lover. In honor of St. Francis we will have a blessing of the pets on Friday, October 4th at 11:10am. If you are able to join us, we ask that you meet your child in the parking lot between the church and school. If you are bringing a pet, please bring him/her in a cage or on a leash. All animals must come to school with an adult at this time since we don't have room in the

classroom for all of the animals! If your child does not have a pet, encourage them to bring a picture or a stuffed animals to be blessed by Father. In case of inclement weather, the event will be held in the gym.

School picture day is approaching! Please put THURSDAY, OCTOBER 10TH on your calendar for school pictures. Students may dress up on this day for pictures! A picture envelope will be coming home in the near future. If you choose to order pictures, please fill out the form and return it to school. Even if you choose not to order pictures, your child's picture will still be taken so they appear in the class photo.

In the hallway past Miss Nardecchia's lockers is a bookshelf on the left hand side sponsored by The United Fund. These books are there to be borrowed, taken, or gifted. If you have gently used books at home you have no use for you may add them to this shelf for others to take from. If you are looking for some new books for home, you can take from this shelf.

Thank you!
Miss Abel
